1. Policy Rationale

At Wonder Whiz Kids Nursery, our Schedule of Activities is a structured yet flexible plan that supports the delivery of our EYFS curriculum. It ensures all children—regardless of age or need—experience rich, developmentally appropriate opportunities across the seven areas of learning, enhancing their wellbeing, behaviour, communication, and personal growth.

This policy outlines how we embed meaningful routines and planned experiences into each day, across all age groups, to support a balanced, purposeful learning environment that is inclusive, child-centered, and trauma-informed.
